

FOS Sign-Up Requirements

Dear Customers,

Our 3-in-1 fibre-optic broadband service, **FOS**, is now available in your neighbourhood. Should you wish to subscribe to the service, kindly provide the following compulsory regulatory requirements.

For individual use, mandatory registration requirements are:

- 1) One passport photograph
- 2) A valid means of identification
- 3) A utility bill (proof of address)
- 4) Duly completed contract registration form

For business use, mandatory registration requirements are:

- 1) One passport photograph of the contact person
- 2) A letter from the organization introducing the above person as their contact
- 3) A valid means of identification for the contact person
- 4) A Utility bill (proof of address)
- 5) Certificate of incorporation/registration documents for enterprises
- 6) Duly completed contract registration form

Existing customers should assist us by providing the details above when renewing their subscription.

Thank you.
